### **About Kah-Nee-Ta:**

The Warm Springs Reservation was established by The Treaty of 1855 on a small reserve of land where our ancestors lived for thousands of years. In 1937 the Wasco, Paiute and Warm Springs Tribes organized as the Confederated Tribes of Warm Springs and became a sovereign, self-governing nation.

Kah-Nee-Ta Village was completed in 1964 and named for the Indian woman Xnitla, "Root Digger" who had owned the property. Xnitla was a scout and spiritual leader who used the natural hot springs and indigenous plants and roots for medicinal purposes and religious ceremonies. The Lodge and Convention Center opened in 1972.

### **Golf:**

Our par 72 championship golf course measures 6,352 total yards from the blue tees; 5,828 total yards from the white tees and 5,195 yards from the red tees. Kah-Nee-Ta's warm, dry climate makes year round golf not only possible, but pleasant.

The course provides two distinctly different challenges. The front nine gives players a chance to score well right out of the chute. Fairways are ample and the green relatively flat. The back nine offers a high desert links style of play and features several doglegs and sloped greens.

### **Lodging:**

Kah-Nee-Ta Resort and Spa offers a variety of accommodations from suites and private view balcony rooms in the Lodge to Village suites and teepees and even a full-service RV Park. Every option is close to all the fun and diverse activities available at Kah-Nee-Ta.

### The Museum at Warm Springs

The mission of the Museum is to preserve, advance and share the knowledge of the cultural, traditional and artistic heritage of the Confederated Tribes of Warm Springs. The Museum achieves this through educational exhibitions and programs that raise and inspire awareness of The Confederated Tribes of Warm Springs and other indigenous tribes.
