

WPA Golfers

November 7, 1998

Dear WPA Friends;

Just a note to verify our next WPA social and golf get together. We will meet at the West's in Monroe, Washington on Sunday, June 6 th, 1999. Golf is set for Monroe Golf Course the next day Monday, June 7th. There is a possibility for a golf scramble Tuesday morning if there are enough of us that would like to stay and participate.

We're in the process of setting aside a block of rooms at the Best Western Motel in Monroe, and also reserving a restaurant for Sunday evening dinner.

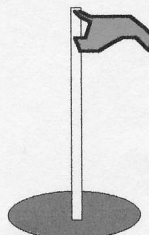

For the non-golfers on Monday

The town of Snohomish, a 15 min. drive, has a couple of quaint restaurants for lunch. Snohomish is also the "Capital of antique stores" where you may spend many pleasant hours of browsing.

Another letter will be sent in January or February detailing times, locations, prices.

Your WPA Friends,

Don and Sally West

Monroe Golf Course

Monroe, Washington

A small band of W.P.A.ers set out to attempt what no other project team had ever been able to achieve, to collectively play a course without a single bogey. The fine repast at the Wests from the afternoon before and the fine dinner, combined with the excellent conversation of the evening must have been just right; for the group achieved their goal. Amazing as it may seem, they not only did not bogey a hole, they had 6 birdie holes to complete play at six under par. WOW. The women played well also at one under bogey for one of their better rounds. Many thanks to Don and Sally for another great event.

Look at this record of champions!

			16	4	3	West
			17	4	3	Thompson
			18	3	3	Johnson, Thompson, Whitehill

Any group that good has got to have some record makers, well at least one. Don West with a 67 set a new mark. So also was his 32 for a nine. Nice work Don. And nice event Don and Sally.

FINANCE- Got no money, got no bills, no change.
