

W.P.A. PROJECT NUMBER 31

O.K., we're in business. Most, but not quite all, have responded. We have two excused couples, thus leaving only one low down good for nothing scum bums couple who have chosen to go to a so-called business conference. We won't mention them by name but P and J know who they are. Those of you who haven't responded yet – let's leave these alone in this category. Right now we have 38 for dinner Sunday, 26 for golf on Monday, and 20 for scramble on Tuesday. Hopefully a few more yet to come..

Vi wants to remind the non-golfers that they'll do something on Monday.

From I-5 take exit 230, turn left onto highway 20 and go 10 miles toward Anacortes. Turn left at Thompson Road (Ford dealer on the corner). Follow map to our house. Easy to find (I have no trouble at all). 8446 Thompson Beach Road. 293-9881.

4 P.M. Planning session at the Frisk shed. Dinner will be at the Cranberry Tree. \$20 per includes tax and gratuity. Directions at the planning session.

Golf, 9AM – (both days) Similk Beach Golf Course – see map.

I'd write more but I've got to practice on my golf and Vi has to do the packing. We are off to Canada the 25th and then to South America till June 15th so won't be available for too much flak. See you soon.

W.P.A. IS A'COMIN

Yessir, you already have your calendars marked for June 25, 26, 27 for W.P.A. at the Similk Beach Golf Course in good old Anacortes. Vi and I are planning a great event that you don't want to miss. I hear some of you complaining about your poor game (me too), but I heard about one guy who is playing way over his head (maybe he'll wake up soon).

Its like this. Sunday we will meet at our house at 4 P.M. for some libations and then go out to dinner (haven't got dinner quite nailed down yet, so more on that later.) Then to bed for a good rest so as to be ready for the Project on Monday.

Tee off time is 9 A.M. at Similk Beach Golf Course.

Tuesday, 9 A.M. 9 hole Scramble, same place.

You do have September 10 to be at Hollingsworths in Wilsonville, don't you?

You remember also, that at our last project we decided we needed some new workers. So get those potential new members lined up. Include them in your registration or duplicate this one.

So Now I need to know:
