

WPA #37

HELLO WPA'ERS:

It's time to think about project #37.

Mark your calendar for June 22-23 and 24.

Our meeting will be held on Sunday of 22nd

Bob and Cay Bell's home on Lake Shoshone with cocktails etc. at 4:00 P.M. Dinner will follow at Kayak Point Golf Course dining room only 3 miles from our home. Maps will be included with the next mailing.

Monday June 23 we will have our usual 18 hole competition at Kayak Point where breakfast and lunch are available. Kayak Point is a hilly course, more so than Clarkston, with some long distance between holes. Carts are plentiful. Some hearty souls may want to walk. Senior rates are available.

The Tulalip Inn in Marysville is the choice for lodging so all may be lodged at the same place. Phone # 1-800-481-4804

Holiday Inn Express is also available across the street. Phone # 360-658-1339

The new Tulalip Casino will be opening in mid May for your entertainment.

More information will be coming in April when we return home, but do save the dates for your WPA friends.
