

Oh, the weather outside's been frightful  
But, WPA, in June, 'll be delightful  
And now we know where we'll go  
Let's all go! Let's all go! Let us know!!

## WPA PROJECT # 39 JUNE 6, 7, 8, 2004 LEAVENWORTH, WA

Project #39 will begin with our attitude adjustment meeting Sunday, September 6th at 4:00 PM at Der Ritterhof in Leavenworth, WA.

After the meeting is adjourned, we will go to the Leavenworth Golf Course for dinner at the Icicle Grill. Dinner will be a buffet which will include a fish, beef, and chicken choice plus salads, rolls, coffee and tea. They also serve beer and wine which will be additional. The dinner will be \$22 per person which will include gratuity and tax. The chef prefers to have one bill for the group so Jack will collect before, during, or after. We will gladly accept checks or cash!

Monday golf is at the Leavenworth Golf Course starting at 10:00. The price is \$28 for golf and \$13 for a half cart rental.

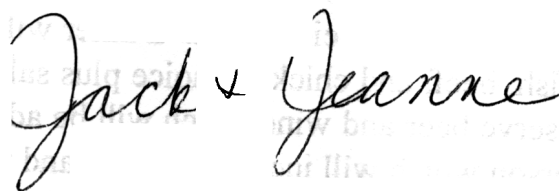

Monday evening is open, but we plan to copy-cat Mike and Colleen and have a barbecue at Der Ritterhof for anyone who would like to join us. We had such fun bragging or whining about our golf game, and getting more time to visit, so please come along. You bring whatever you would like to barbecue and we'll do the side dishes. (Maybe we can convince chef Don Johnson to cook for us again.) We'll start at 5:00 or whenever people feel like getting together.

Tuesday's scramble will be at Kahler Glen. Kahler Glen is located 30 minutes west of Leavenworth in the Lake Wenatchee area. There is a restaurant at the course serving breakfast and lunch. We will start the scramble at 10:00. The price is \$16 for 9 holes, \$24 if you decide to play 18. Carts are recommended for this course with a \$13 cart rental. (These prices may change by a dollar or two. If they do, we'll let you know.)

Der Ritterhof will be WPA headquarters during our Project in Leavenworth. Although there are many places to stay, Der Ritterhof is offering us a block of rooms at a good price. They have the facilities for our meeting and barbecue. They have reserved rooms for us which they will hold until May 2nd. The rooms are double queen units (2 queen beds) for \$86 + tax per night or single queen units (1 queen size bed) for \$78 + tax per night. If you plan to motorhome and are self-sufficient, you can park on their property for \$10 a night. If you decide to stay at Der Ritterhof (1-800-255-5845), make sure to tell them that you are part of the WPA group when you call for a reservation.

When we're not busy obsessing about everything, we're getting excited to see everyone for golf, food, and fellowship. If you have someone you would like to invite, please let us know and we will send them the information.

Looking forward to seeing you all in June!
