

WPA Project #43

Project #43 will be held at Campbell's Resort in Chelan, Washington on June 11th, 12th and 13th.

We have a block of rooms reserved at Campbell's and the rate is from \$98.00 to \$129.00. The difference in rate is due to the size and age of the unit. All rooms have a spectacular view of Lake Chelan and the surrounding mountains. The smaller older units have a small refrigerator and microwave. The larger units in addition have a sink, toaster, dishes and silverware.

Our meeting (Better known as Jack's fleecing of the sheep) will start at 4:00 PM in our room #1108. Dinner is scheduled for 6:30 PM at Campbell's in a room to be announced at the meeting.

Our Monday golf will start at 9:30 AM at the Lake Chelan Golf Course, a short drive (5 minutes) from Campbell's. The cost to be paid at the course is \$40.00 per person plus \$26.00 for a cart. The course is walkable, but I would recommend carts. Included in the \$40.00, is a \$5.00 fee the course charges for groups. This is returned to us as prize money to use in the Pro-Shop.

Dinner on Monday evening will again be at Campbell's and will start at 6:30 in a room to be announced. Cost for the two evening meals will be \$60.00 per person. We need an accurate count by May 26th.

On Tuesday, the 9 Hole match will start at 10:30 at Alta Lake Golf Course. This is a 30 minute drive north on Highway 97 near Pateros, Washington. Driving directions will be handed out at our Sunday meeting. The rates are between \$12.00 (Senior) and \$15.00 for nine holes plus a cart at \$14.00. We visited the course, but did not play (not wanting to take unfair advantage of friends). It is hilly terrain, and may require carts, but I don't have first hand knowledge. Their restaurant's grill is not open during the week, however they have hot dogs and would be willing to supply sandwiches if as a group we wanted to have one last meal together before separating to mingle with the world. We'll need to know a couple weeks before if the group wants a lunch scheduled.

Judy and I are so looking forward to hosting for the first time. It should be a good time. The area is beautiful, Campbell's is a first class destination and both golf courses should test our game and disposition.

See you in Chelan, The Ohlsens
