The 9-hole "Meadowmeer" course at the Meadowmeer Golf & Country Club facility on Bainbridge Island, Washington provides plenty of fun and challenge! Lots of personality on every hole as this well-maintained course is always in great playing shape. They feature 2,824 yards of golf from the longest tees for a par of 35. Most golfers play 18 holes as the 18-hole setup is designed to be played from different tee boxes on the back nine. Designed by Sam Clarke in 1971.
