

REPORT FOR WPA PROJECT #2, May 18-19, 1986
Suntides Golf Course, Yakima

WPA Project 2 came off on schedule. Host "Dutch" Schulz was unable to be present. His backup, Marion Pierce, not only did a beautiful job of setting everything up but proceeded to win the event with an 81. We assume that was home court advantage.

Murray Taylor, our record keeper, has reviewed the cards and if we were playing best ball, jointly we would have been at even par as a group.

Hole	Par	Shot	
1	4	4	Cribby, Bracy, Trulson, Green, Taylor
2	4	5	Powell, Frisk, Taylor, Valentine, Bracy, Pierce,
3.	3	2	Valentine
4	5	5	Pierce, Kellman, Powell, Frisk

15	4	4	Pierce
16	3	3	Trulson, Kellman
17	3	3	Bracy, Taylor, Swanson
18	4	4	Cribby, Pierce, Kellman

At Timekeeper Taylor's assessment the debts are: Cribby \$.75, Bracy \$1.25, Trulson \$1, Green \$1, Taylor \$1, Powell \$.75, Frisk \$.50, Valentine \$.50, Pierce \$1.75, Kellman \$1.25, Oliver \$.25, Swanson \$.50.

Our ongoing records had two dubious new additions and one good one.

Best Round	Marion Pierce	81	Suntides	May 19, 1986
Longest Chip in	Vera Taylor	120 yds	Similk Beach	August 26, 85
Most hits in one sand trap	Jack Frisk	4	Suntides	May 19, 1986
Most tee off shots on same hole	Murray Taylor	4	Suntides	August 26, 1986
Most Chips onto same green	Gordon Krupke	3	Similk Beach	August 26, 85

Pierce, Frisk and Taylor owe \$1 each for entering the record book.

The ladies want to encourage more participation. They also want no one scared away so they suggested their scores be listed. Our timekeeper forgot to send them in but I think they ranged in the 130-135 range. The point is, don't feel you aren't good enough - come out and enjoy the fun. None of us are out there because we are good.

Our Timekeeper Taylor has ruled that no low gets can be established until we have 4 W.P.A. scores, then he will handicap our performance on those. Calloway, club handicaps etc. wont work he says. Well, that's the way the bureaucracy works.

The last time I talked to Jack Bracy, he hadn't heard from several of you about WPA Project 3 in Olympia August 3-4. Get your reservations in soon to Jack, 1822 Lakemoor Place, Olympia 98502. He hadn't heard from Cribby, Green, Minnitti, Newell, O'Neil, Pierce, Powell, Schultz, Trulson or Warnecke at last ~~mx~~ count.

We still have room for a few more members. Get them signed up with Bracy for Olympia in August.

I think Bracy must be an owner of the Tyee in Olympia, otherwise he couldn't have gotten rooms for \$40 for us.

Neat that so many are going to make WPA 2. We had hoped to have a few more new members. It's not too late to recruit someone.

Reservations will be made at the Holiday Inn. Take the Yakima Avenue Exit. Holiday Inn will be on right just a couple of blocks up Yakima Ave. toward city center. Rooms are \$38. We will have a suite to meet in at 4:30 P.M. for Happy Hour and Meeting. Dinner will be at 6:30 and you can order from menu.
