

W.P.A. PROJECT #5
 July 26-27, 1987
 ALDERBROOK GOLF COURSE, UNION

A crew of 24 showed up to give the Alderbrook Course a working over. They found trees, canyons, hillsides and eventually a hole surrounded by a nice piece of green grass. Some found trees and hillsides that directed their ball back into the fairway. Others found less congenial results. Murray and Vera Taylor arranged a fun time, including taking us to Taylor Town to eat (Their very own restaurant?) It was capped off at Dick and Coyet Stimpson's on the 2nd hole for after game replays. Neat event.

Timekeeper Taylor had a whole slate of proposals for the group. Since he is the timekeeper, the group accepted them all. They were: 1. Each time name appears, 25¢. 2. Handicap increase, 25¢ per point. 3. Use of motor cart, 50¢. 4. Establish a hole in one fund at \$1 per play. 5. Women count first nine holes for trophy (also, a womens trophy will be obtained). 6. For the alderbrook event, 25¢ for every 3 putt green and 25¢ for the most trees hit. So, here goes:
