

W.P.A. PROJECT NUMBER 11
SIMILK BEACH GOLF COURSE, ANACORTES
July 15-16, 1990

There are 27 reasons why this epistle was not completed earlier. If anyone wants to hear the excuses, send a SASE for a reply.

Fred and Gladys Chappell got us off to a good start with a fancy cocktail party complete with Fred's famous roses and followed by a fine dinner at Max Dales. On Monday we returned to Similk Beach for a third try at breaking par as a group. No improvement occurred so the men settled for a collective par round, continuing our history of no sub-par rounds. Maybe next time.

Coyet Stimpson won the Women's 18 and Vera Taylor won the Women's 9. (Timekeeper Taylor originally reported Marion Nulle the winner, but diligent Timekeeper Taylor found an error on a card.) Dick Stimpson won low gross with an 84. Wmmett Oliver won low net. Special events included a long drive hole (Harold Trulson), closest to the pin (Emmett Oliver) and fewest putts (Emmett Oliver). Two new records were set, a 57 foot putt by Bill Bates and a ten foot loss on a second shot by Emmett Oliver. Bill Bates tied the record of three balls in the water on one hole.

Emmett Oliver thought he could play better if there was a little financial incentive for his performance so he collected a dollar from most of us for a two division pool. He was right. Not only did he win low net, he won his division of the pool (and the money). Dick Stimpson cashed in in Division 1 and Dick Hollingsworth and Don Nulle along with Gene Maxim and Bill Bates got a token return for being runner-ups. Emmett is more eager than ever to continue the practice.

1991 SCHEDULE

MAY 18-19, CLARKSTON GOLF AND COUNTRY CLUB. Ray and Pat Broadhead will be our hosts. This is a Saturday-Sunday affair as opposed to our usual Sunday-Monday. Reserve Saturday May 18 and Sunday May 19 to be in Clarkston. Remember how much fun we had last time.

SEPTEMBER 15-16, WILSONVILLE, OREGON. Date almost definite. Bob and ~~Betty~~ Bonnie Warnecke will host us at Dick and Nell Hollingsworth's course. (This to avoid another trip to the Northwestern Washington area). Note the September date. July seemed difficult for many and so at the July event we decided to try September. For any who do not know, Wilsonville is a suburb of Portland to the South.

PUT THESE DATES ON YOUR CALENDAR AND RESERVE THEM NOW.

I know it is Emmett, not Wmnett and Bonnie as corrected, but my dumb typewriter doesn't know and it has trouble with spelling too.

Dear Jack:

Now that almost all of the sand has run out the bottom of my pantslegs, I can get down to business again. Just thought I'd pass this on for the record. So here are the first sandbaggers results:

FIRST DIVISION

	<u>score</u>	<u>HCP</u>	<u>NET</u>
1. Dick Stimpson	84	1	83
2. Dick Hollingsworth	94	9	85
3. Don Nulle	92	5	87

SECOND DIVISION

1. Emmett Oliver	90	16	74
2. Gene Maxim	93	13	80
2. Bill Bates	104	24	80
3. Morris Warneke	104	13	81

The divisions were made up arbitrarily so there would be the same number in each group, i.e., six in first division and seven in the other. With the wide variance of handicaps and such a small number to group, there a makeshift grouping at the best. However, to do this, seven of the 13 who signed up, got a prize. Also, I made a mistake in the computation which I will rectify at our next meeting. We'll get a reaction from the group as to whether they wish to add this feature to the play.

Meanwhile, I have been going to the Goodwill Games and seeing alot of track and field at Husky stadium. Am seeing some beautiful events.

Looking forward to our next bash.

Keep your head down,

Emmett
