

W.P.A. PROJECT NUMBER 13
Charbonneau Country Club, Wilsonville, Oregon
September 8-9, 1991

Well, we took W.P.A. out of state for the first time. It was a great success. Would you come to an out of state event? Yes! Would we get rained on in Oregon? No! Could we play decent golf in another state? Well --. Dick and Nell Hollingsworth did a super job of hosting us at their club and at their home --Thanks a bundle. Dick was very upset because the second nine had just been punched and sanded. Some of us thought they were equal to many of the greens we have played on, even punched and sanded. That tells you about the beautiful condition of the rest of the course.

Timekeeper Taylor allowed as since this was a par 62 course rather than 72, records for low scores etc. would not be allowed. Further, he added 10 strokes to scores in calculating handicaps to keep the handicapping equal with other courses we have played.

Marion Nulle won the womens' event. Dick Stimpson won low gross and Jack Frisk won low net. With help from a guest on #1 with a par, the men shot their first ever sub par round collectively - a one under performance. Here's what we did:
