

W.P.A. PROJECT NUMBER 14
 Avalon Golf Course, Burlington WA.
 June 7-8, 1992

We entered another year with a great event. Harold and Agnes Trulson treated us wonderfully well. A nice party at their neat home on Lake Campbell and then on to dinner at Charlies, a nice restaurant where we got to order off the menu - maybe a first. The weather was great, the course was in fine condition, some of the golf was O.K. - then there were others. Another first was achieved when two of our members showed up a week late for the event. Who?

Timekeeper Taylor tallied up the scores and found that Dick Hollingsworth won low gross with an 88; Rudy Johnson won low net with a 79; and Madeline Warnecke copped the Womens' Trophy. The men failed to break par as a group, shooting 2 over. Our string of sub-par rounds ended at 1. Strangely, there was not a birdie by anyone according to Taylor. Well that makes for more fine money when there are lots of pars. Our special record for the event was the most balls in the brush. Would you believe that we put 68 balls in the brush? Fred Chappell won the dubious honor of most with 9.

We welcome new members Chuck and Marilyn Genovese, 1243 Gwen Dr. #5, Burlington, WA 98233. (206) 757-4177.
