

W.P.A. PROJECT NUMBER 26
 Silver Lakes Country Club
 Helendale, California
 February 8-9, 1998

Who's afraid of a little El Nino? Well Morrie and Madeline might have been just a little, but, as usual, the course dried out enough for carts, the sun came out and we had a great day. The course is outstanding but our scores were not. Must be the winter layoff. Morrie and Madeline had their question answered. Would anybody show up down there. 22 golfers ain't bad, and doesn't include 3 who had last minute problems or the non-players. Very close to a usual turnout.

You checked into a resort room on the course that you would expect to pay well over \$100 for; got to Morris and Madeline's for a great layout, came back to the resort for a great meal. What a great way to start.

If your name was Dick or Celia, you had a great day the next day too. Do you believe Murray Taylor could take a golf swing and throw a club over 3 golf carts? Well if you look at his other records on the list, maybe its not so unbelievable.
