

# W.P.A PROJECT NUMBER 34

September 8-10, 2001; Priest Lake Golf Course

WPA has a new string going. One event without rain. Wow , was the most common expression regarding the weather. Clear blue sky, temperature in the 70,s, no wind, a beautiful setting. What else could you want? Sunday, a great social at Howard and Aurelia's house. Great dinner at Hills Resort. Golf on a pretty, pretty golf course. Someone said, ho hum, another beautiful day in paradise. Thanks Howard and Aurelia.

There were many suggested fines. Such as DW ramming another golf cart, DR's great drive disappearing after PC had roamed around the area, and other assorted reports of members actions. One individual apparently had committed the greatest indiscretion, not reading the report of the last event. BT didn't even know he had a credit for the holes he played in the rain. Sort of makes you want to erase them.

Three men tied for low gross, Pat Whitehill, Rudy Johnson and Mike Carlson, all with 84's. Low net went to Rudy also. Rudy would have gotten the trophy, but he left before Timekeeper Chuck Genovese finished his work.

The Monroe girls, Colleen Carlson, low gross and Jeanne Fankhauser, low net, took charge of the Women's Trophy. But how about that Wanda Robinson. If the cup had just been twice as large, she would have had our first hole in one. That would have put all us macho men in our place.

### THE RESULTS
