

W.P.A. Project Number 36
 Ellensburg Golf Course
 September 8-10, 2002

Do we know when to go to Ellensburg or what. Twice we've been there for nice weather and NO WIND. Some of us are beginning to wonder about the wind reputation of Ellensburg. Whatever it was the Thompsons get all the credit. Bob and Celia did an outstanding job. Nice party at their beautiful home and a good dinner finished off a great Sunday. They had the golf course all primed for us Monday morning, and it was a great day for golf. Tuesday was just as nice for scramble and a good time was had by all. More and more people are participating in the Tuesday scramble. Some seem to think it is almost the most fun of all. We have to credit Emmett Oliver for the origination of the scramble event. Remember, we are sending him a birthday card for his 89th birthday December 2. His address is in the roster enclosed with this report.

Well, Don West did it again, shooting and 82. But he didn't get low net. Chuck Genovese took care of that. After faltering the first time around, the men recovered to finish even par as a group.

A new name popped up on the women's end in a big way. Joan Chaplik won both low gross and low net. Tuesday, the team of Pat Whitehill, Bob Thompson, Lois Melville and Colleen Carlson had a one over round to win the scramble.

Some of you may not know that Gene Maxim suffered a stroke in September. He is still in the hospital, I believe, and still has some paralysis. Betty spends each day with him.

We are saddened by the death of one of our former members, Dick Stimpson. Think Coyet's address is still E. 211 Paintbrush Lane, Union, WA 98592

Spring will be with Bob and Cay Bell: June 22,23,24. Be sure to mark your calendar. One thing you can do this winter is practice up on your putting. Remember the 18 hole putting green, an added feature of our visit to Kayak Point.

Fall will be with Mike and Colleen Carlson.
Watch for the dates.
