

W.P.A. Project Number 40

Cameloch Golf Course

Camano Island

September 19-20-21, 2004

Very adroitly Bob and Bonnie Warnecke maneuvered W.P.A. into 3 dry days in the midst of a very rainy period. Would that the C's had such skill. Hopefully this is the beginning of a run to exceed our run of the first 32 Projects without rain. One down and 32 to go. What a great place to start Sunday. La Conner Flats offered us beauty, convenience and a great buffet, topped off by a first. Bonnie baked us pies for dessert. Yum. And most people remembered to wear red for our Ruby 40th event. I guess we can count the maroon the Cougars wore as close enough even if it isn't quite red.

Maybe it's the effects of an election season. W.P.A. hit a new high. A bribe was offered in an attempt to suppress any mention of a certain golfers play at Cameloch. The bribe was accepted and the coffers are \$5 richer.

Two sets of guests, Gil and Linda Johnson, and Gary and Sue Smith decided to get in on the fun and joined our group.

Golf was a little tough. As a group we shot even par, the first non-sub-par round in quite some time. Perhaps it was the wet course. Don West won with a poor score for him, 87. Jack Green had a great day and carded a low net 78. Jeanne Fanhauser wiped out the women with a low gross 99 and low net 94. Way to go Jeanne.

Scramble on Tuesday provided some real competition, even if not real low scores. Four groups tied for low at one under performances.. Don West, Frank Krook, Joan Chaplik and Madeline Warnecke made up one group. Cay Bell, Gill Johnson, Dan Palmer and Bill Parker, another. Jack Frisk, Paul Chaplik, Sally West and Linda Parker were another. Lastly were Mike Carlson, Nub Poppe, Judy Oleson and Linda Johnson. Maybe we should have gone into extra holes.

Thanks to Bob and Bonnie for arranging a great time.
