

W.P.A. Project Number 43

Lake Chelan Golf Course

Chelan

June 11,12,13 2006

Now the Ohlsens know how to manage rainy weather and golf. I hope the Carlsons and Chapliks noticed carefully so they know how to do it. Roger and Judy not only had us on the golf course between the rains but arranged for a great outing. Nice hotel, nice meals, great cocktail time warm days. Great job Roger and Judy! Sunday evening's meeting highlight had to be Linda Johnson's confession. She called forth her Lutheran background to tell us that our recognition of her most improved play last year on the Canyon Lakes course was misplaced. She couldn't always count her strokes on a hole so just picked a number. After spending the winter being haunted by her false score, her Lutheranism required her to stand up and confess to all those present and to pay a voluntary fine. All is forgiven Linda.

The golf course was in great shape. Well manicured greens. Neatly cut fairways. though much too narrow. Then there was the rough. Thick, long and club grabbing grass. This beautiful course proved to be a challenge, but we conquered it. As a group we shot a respectable 4 under.

Mike Carlson reclaimed the trophy with an 84, barely edging the old master, Don West's 85. Mike also captured low net. Colleen Carlson topped the women with a 96. Nancy Krook kept it from being an 'all Carlson affair' again with a low net 87. There was lots of talk about some heroic shots made but they didn't show up on the scorecard. No new records were recorded. Long Drive was claimed by Dick Robinson. KP went to Gil Johnson. Women's long drive. Joan Chaplik and KP Cay Bell.

Scramble on Tuesday at Alta Lakes saw a one under by the team of Bill Parker, Matt Wright and Colleen Carlson. Lois Melville wasn't on the winning team for the first time in ages. She wasn't there! The other groups were not interested in having their scores mentioned..

Thanks Roger and Judy!

Four down and 28 to go in our quest to beat our record for events without rain.
