

**W.P.A. Project Number 46
The Cedars at Dungeness, Sequim, WA
September 16-17-18, 2007**

Another great event. The Parkers had everything scoped out and ready to go. Linda gets an A for managing the weather. She did tease us a little by letting the rain in on Sunday night so we went to bed wondering. That was after a nice event in the Quality Inn and a great dinner at the Cedars.

Monday morning was nice and the course was in great condition. We didn't quite play up to our standards as a group, carding a one under for the group, our highest score in some time. But we all had fun. One notable item in the scores was the accomplishment of the women who scored 5 pars on the same hole. Good Going Gals.

Tuesday was another course in great condition. Most everyone said Sky Ridge had as good a greens as they had ever played. It proved to be a little tougher than it looked. Only two groups shot par in the scramble with the rest one or two over. Winners were the groups with Gil Johnson, Mel Melville, Sally West, and Judy Ohlsen; and Linda Parker, Nub Poppe, and Don West.

Our string of events without rain has reached seven in our quest to beat the record of 27.

Thanks, Bill and Linda
