

**W.P.A. Project Number 48**  
**Camelot Golf Course, Camano Island**  
**August 24,25,26, 2008**

Another great event. Number 1 on our quest for 27 events without rain to tie our old record. Matt and Betty Wright carefully crafted the event between a Sunday rain and Tuesday night rain, with not one drop on our golf games. The Wrights also threw a great party on Sunday night, ending with a great barbecue. They did it again Monday after golf with another great meal. Thanks to the Wrights for a great time. The professor had everything well in hand.

Monday saw the men collectively shoot a one under par and saw the women with low score on a few holes. Look out guys. Low gross and low net was greedily grabbed by Paul Chaplik. Women's low gross went to Colleen Carlson and low net to Nancy Krook.

Tuesday saw the team of Ena Robbins, Joan Chaplik, Jack Fankhauser, and Bill Parker shoot the only sub par round in scramble.
