WPA Project #56

Holy Moses! Project #56 is in the books. Remember back in September enjoying the sunshine and warm weather surrounding us in Moses Lake? I realize that doesn't mean much to you that are south enjoying it now! So for the rest of us, we'll just think about it.

Linda and Gil Johnson were the proud sponsors of Project 56. After everyone got settled in, we all joined forces for our kick-off meeting. The hosts provided plenty of great treats to start us off. Linda said Gil had prepared most of the goodies, but there were some who needed convincing. Nice try, Gil!

The meeting went on as usual with just a few surprises. Not one person complained about the fines! Surprise, there were none! An "economic stimulus package" provided an inspiration for all recipients.

The group again had our special visitors. Mel and Lois joined us for a break from the Montana forest fire smoke. Great to see them and again watch Mel bring the course to its knees.

Our highlight was to have our great leader and founder rally to join us. We were all surprised that Jack joined us and continue to be amazed by his strength and determination. Keep him in you thoughts and prayers as he fights yet another battle.

Carlson's and Fankhauser's announced the next year's projects. Springtime will take us to central Oregon at KahNeeTah resort (June 9, 10,11). Fall looks like a trip to Lake Wenatchee and Kahler Glen (Sept. 8, 9, 10). Keep your ears on for more info to follow.

Monday's golf at Moses Pointe turned out to be a beautiful day for golf. Gil had talked to the Golf Gods and blessed us with a great day and another challenging format for most. However, the course didn't stop, or even hold back the Robins family duo! I'm not sure what kind of wine they were drinking but they swept the honors by winning or should I say "wining" both low net and low gross in both divisions. Way to go, Ted and Ena!

Monday's dining was highlighted by a great display of "Soups of the Day" and it was a very popular choice. Linda and her helpers left all with full stomachs and a chance to taste some great cooking. Thanks to all that helped out!

As Tuesday arrived, Linda and Gil showed much relief as the project was winding down. A very successful project was going in the books.

Tuesday's scramble found us again in the fun and sun of Moses Lake. After a hard fought 9 hole battle, a trio of "big bombers" clawed their way to the top. Bill Parker and Vernon Fox were happy to have "sweet swingin" Gary Smith to pull them through.

Please check out all the photos that Don and Mike put together highlighting the project. Thanks for all the work. Also thanks to Burt for his glamour shots before he was called away.

A big thank you to Gil and Linda for a great project. Let's all wish Cay a "Happy Nine-O and cheer her on for another hole-in-one!

As we closed out this project, we heard Moses say, "Have a great holiday season and hope all have a happy and healthy new year!"

Keep on Putting
