**WPA PROJECT #57
Kah-Nee-Ta Resort
Warm Springs Oregon
Mike and Colleen Carlson**

Sunshine and blue skies greeted us all as we traveled to high desert country in central Oregon. Our rendezvous point was the beautiful resort at Kah-Nee-Ta located on the Warm Springs Reservation. Mike and Colleen made sure we all got our welcome package that contained a complete and detailed schedule of our project. They made it so easy. All we had to do was follow the directions.

After we all settled in, we met up in the Chief suite. We enjoyed a bountiful array of appetizers and snacks – both liquid and solid. Our meeting was highlighted with a visit from our founder and leader, Jack Frisk. Everyone was happy to see and visit with him. This was a real bonus for our group and an inspiration! Thank you Connie for making it possible.

Monday morning was a beautiful morning for golf. The course was in great shape and ready to be challenged. Sonja Thorp left her putter in the bag after a nice 30” chip in. Mary Haskins was the only player to score better on the back nine than on the front. Donna Lowell enjoyed shooting a couple of pars and Judy Ohlsen scored a birdie. Nancy Krook played and award winning round to take the low net honors. Women’s low gross was taken by a great round by Sonja Thorp. For the men, we had some straight shooters. Richard Lowell and Vernon Fox came out on top. Vernon took low net and Richard low gross.

Monday night was another great social hour and meal. Nobody left hungry.

Tuesday’s scramble went off pretty well until Gary Smith tried to plug a water valve hole with his leg! We are able to report that Gary survived with a very painful loss of skin and a free round of golf! I think he would give the free game up for a little less damage. Sue has asked us to provide a body guard to limit Gary’s leg injuries! We had a tie for the

win with teams of Mike Carlson, Dave Leishman, Polly Fox and Sonja Thorp knotted with Richard Lowell, Jim Bloss, Wilma Leishman, and Sally West.

Sadly, we had to put an end to Project 57. Kah-Nee-Ta provided a great venue for our group and Mike and Colleen proved to be superb hosts for another great project. Thank you for all your work!

Project 58 is just around the corner on Sept. 8,9, and 10 at Kahler Glen near Lake Wenatchee. Jeanne and I will be hosting and hope we can another great time and some great golf.
