We Putt Around

Project #61

Spring Fling in Sequim

Although the weather may not have cooperated for Project #61, everything else went off without a hitch. We were sorry that our hosts Bill and Linda Parker were unable to attend. We all hope that things will work out for all. Bill and Linda did an outstanding job of getting our lodging, golf, and meals taken care of. A big "Thank You" for all those that helped the project come off to perfection.

I think everyone was able to stock up on the wonderful meals for the following days golf! I saw a couple of the group stock up for the following week!

We held our meeting on Sunday without some of our most important pieces. Our founder, Jack Frisk, was unable to attend but I'm sure he would have put his blessing on our group. We also missed Bob and Bonnie, Gary and Sue, and Mel and Lois. We all missed our dear friend Nell Hollingsworth. We picked up an addition to the group, George and Harlene Heiber. It was good to have Gil and Linda Johnson and Richard and Ann DuBois return to the fold. Welcome to all!

During our meeting, the group decided to close the traveling bar. Please remember to bring your own drink of choice for the future projects.

Monday golf at Cedars at Dungeness started off a little below the Chamber of Commerce weather that Sequim is noted for. Although we all heard the normal complaining and whining, everyone seemed to enjoy the course and its challenges. Jim Bloss reported his audition for the Monroe Kiwanis Tumbling Team was not appreciated by the rest of his group. They only scored his attempt a "4"!

A few regulars were posted on the leader board. Wilma Leishman led the women's with a nice 94. Polly Fox took low net with a 71.1. Along with winning,

they both will be hosting our 2016 outings with plans well under way! The men were again led by Richard Lowell's round of 79. That ties the record held by Don West and Gil Jonson. Here again, our winner will be hosting Project #62 at Alta Lake. Low net for the men went to Matt Wright with a 71.4. Several other nice scores were posted. Check the WPA website for details.

We again ate well at the dinner prepared by the golf course staff. We prepared for the Tuesday scramble.

Tuesday's adventure was held at Skyridge Golf Course. We were made welcome by the owner, a former school teacher. Would you expect any less? A long double 9 hole course brought with it many challenges. Long holes, a cold wind, and a little rain made everyone work a little harder. At the end, the team of Marlene Parry, Jeanne Fankhauser, Richard Lowell and Roger Ohlsen took the honors. Roger was in absentia, but I'm sure he supported his team. Those that stayed after enjoyed a great lunch prepared by the entire staff at the course. I think that was a total of 3 people!

So off we go to Project #62 at Alta Lake hosted by Donna and Richard Lowell. The dates will be September 13, 14, and 15. Be sure to get your rooms.

Thanks again to Bill and Linda for their set up and planning for a great outing.

See you all in September for more adventures.

Records Broken Today

Record tied by Richard Lowell for 18 holes on a par 72
We need a long putt from a women for the record book

Somethings that were out of the norm

Cay Bell was the only women to birdie a hole and it was the Par 5 14th not that Cay birding a hole but that no other woman did

Keep on Putting

Jack
