**We Putt Around**

## **SMOKELESS IN PATEROS**

### **PROJECT 62**

#### **HOSTED BY RICHARD AND DONNA LOWELL**

**We arrived at Alta Lake Golf Course without smoke in the air, but still a few tears in our eyes. We were all saddened by the loss of our founder and leader on Saturday, the day before our event. As Jack's daughter Connie said, "He has moved on to a better place." We will all miss him.**

**I think it would be safe to say that Jack would want the group to party on – so we did!**

**Donna and Richard had us all set up to enjoy some golf and fun. Richard had us ready for an opening challenge of putting and chipping. It was a test for all who tried to take on the task. Our sketchy awards report showed Ted Robins taking the putting portion of the event and Sonya Thorp winning the chipping contest. If you feel you didn't receive the proper recognition for your part, call Richard!**

**Our Sunday evening meeting was attended by some old and some new members. We were glad to have Bob and Bonnie Warnecke able to attend as the only original charter members. Nice to have Gary and Sue Smith be able to join us after a few setbacks. We also had three new couples join us – Robert and Anne Sterley, Wayne and Susie Wollard, and Burt and Mary Jo Tharp. We will be happy to welcome them in our group at Project #63 when we collect the \$20 fee per couple that most beg to pay to join us! Welcome back and welcome to Jack Frisk's WPA!**

**Sunday's meeting went on with the usual fanfare – announcing the past winners, introductions of old friends and new members. The fines were levied in the usual "fair and just" manner. Some complaints were offered, but were soon snuffed**

out by the committee. An anonymous note of complaint was discovered but later found to be from Don West complaining of the “fine wine” rather than the unjust fines!

Our collections over the years were put to good use as we were able to donate \$350 in memory of Jack. Thanks to all who kicked in a little extra. We were able to give \$200 to Jack’s wheel chair fund and \$150 to Jack and Vi’s scholarship fund at Anacortes High School.

Monday’s golf started off on the cool side but the golf went on hot and heavy. A few notable performances were completed. Sue Carl turned in a “perfect” 8 for 18 holes. That’s what the card said! Cay Bell warmed up with a score of 14 on hole #7. Matt Wright stayed on the winner’s page with the Kevin Na Award for taking a 15 on the par three 14<sup>th</sup> hole. On the winner’s side we saw the Thorp’s take the low gross with Sonya shooting a 101 and Wes with a 92. Low net for the ladies went to Jeanne Fankhauser with 81.9 and for the men Richard Dubois with a 73.8. Nice job by all.

Tuesday’s scramble started off with all thinking their team would be tearing up the course. That myth was soon put to rest. As we all struggled on, one team shone the brightest, the “stacked” team of Ted Robins, Wes Thorp, Lynn Bloss and Wilma Leishman put the rest of us in their rear view as they came in as champs. I’m sure they will be well rewarded at Project #63!

As we packed up and headed out, many thanks were offered to Richard and Donna for another great outing. Their efforts were appreciated to make Alta Lake Project #62 another special time for all.

Dave and Wilma have plans well in hand for Project #63 – Hood River. Be sure to make your reservations and be ready for a good time and some good golf! Watch for Mike’s updates on the project.

*Keep on Putting*
