## PROJECT 64

### SHUKSAN SHOOTOUT

Here it is, the 1<sup>st</sup> of November and the committee is finally getting the report out for Project #64. Some of us are trying to remember those warm beautiful September days while others are somewhere down south avoiding sunburns.

Vernon and Polly hosted a great project based at the Silver Reef Casino near Ferndale. Project members had a chance to fill their pockets with gold, but we only heard about those who filled them with sand on Monday.

Our social hour started things off in a beautiful suite provided by our hosts. Thank you Vernon and Polly! We welcomed new guests Bob and Cecelia Martin and Mary Walmar. Cay hosted Mary and Bob and Cecelia were guests of Jim and Lynn Bloss. Jim will be in charge of collecting the fee. Jim had more or less confessed to planting the famous Golden Bear club in Roger Ohlsen's bag. Couldn't get the whole story as Roger wasn't there to verify facts.

We had a great turnout for the event including our original members Bob and Bonnie Warnecke. We appreciate that they made the trip to join us.

We missed a few couples with health issues. Sue and Gary Smith were unable to attend. We hope Sue is feeling better. Also, Matt and Betty Wright could not attend. We were very sorry to hear that we have since lost Betty. For all that met Betty, you knew what a fighter and strong person she was. She always had a big smile and a kind word. Our sympathies go to Matt and the family. I'm sure he knows how sad his WPA friends feel for his loss. The committee has sent a \$100 donation to the American Cancer Society in memory of Betty and in honor of all our members affected by this disease.

The Shoot Out started with a real shot gun start. As we were led to our respective tees, some chose to follow and others chose their own paths. Ah, such is life!

The Winner's Circle included a few new names and a couple of returnees. Colleen Carlson had the women's low gross with a 97. Susie Wollard ended up with low net of 72.2. The men's winners were Chuck Strub claiming low net with 65. Most of those at the course were aware

that Lou Spane was shooting a good round, even if you weren't in his group. Good going Lou, shooting a nice score of 83 for low gross.

Vernon and Polly also provided closest to and long drive awards. It was hard to read Burt's notes, but we think Anne Sterley and Frank Krook won the closest to awards. The long drive appeared to be Wes and Sonja Thorp. I'm sure we will hear about it if these are not correct! Congratulations to all!

Tuesday's scramble provided its share of "if only", "we should have", and "how'd he miss that put?" moments. The loaded winning team was held together by Susie Wollard and Joan Chaplik. The rest of the team was made up of Lou Spane and our host Vernon Fox. They were winners with a score of 33.

And now as Fox's Project 64 goes into the history book, we look forward to Project 65. It will be in Spokane and hosted by George and Harleen Hieber. Get your reservation in as we look forward to another great project.

Seasons Greeting's and Happy Holidays to all from the committee!

*Keep on Putting*
