WPA Project # 7
 July 17-18, 1988
 OLYMPIA GOLF AND COUNTRY CLUB

26 explored the peaks and valleys of the Olympia Golf and Country Club. Someone called the affair our "rosiest". Bob Rose, with some help from Betty Stafford, did put on a rosy affair. We antique golfers arrived to the antique car show to begin the session in harmony. Drinks at Bob Rose's elegant condominium and a fine dinner at the Westwater left us rosy. The weather was ideal and the course was in great shape the next day for our tour.

Special event of the day was most balls in the canyon. Bill Bates claimed the title with four, reportedly all four were hit from the same spot to their final resting place. As usual, some old records were broken and some new ones were established. Timekeeper Taylor recorded the first sub-par round for the men as a group - two under par and for the first time no bogeys as a group. Oddly, the women as a group failed to par a single hole on the nine of record.

Note: After typing, it was noted that the women played a front nine of 6 Par 5's and 3 Par 3's. Is that possible Mr. Timekeeper? Understand the old WPA had trouble with Timekeepers drinking on the job.
