R.E. Hollingsworth

Dear Jack,

I feel compelled to drop you a note regarding WPA Project #8 in Shellay. As you know, Nell and I missed #7 in Olympia last year when we went to Tucson to help bring our first grandchild into the world. We heard from the Warnecks that it was a great event and we were truly sorry that we weren't there.

If you have talked to Bob lately you already know that we are going to miss #8. Nell and Bob's High School is having a class reunion for all classes on the same weekend as Project #8. All of Nell's brothers plan to be at the reunion which really is the choice as to which event we attend.

Jack, we enjoy the W.P.A. group and I would not want you feel that our department is for any other reason than events happening at the same time. Please give our best regards to the other members and we will see you in July at Anacortes.

Warmest Regards
Dick and Nell

P.S. I have notified Jack and Nonie as of this date.

Dear Jack,

We received the detailed results of W.P.A. Project No. 8 covering the happenings at Lakeland Village Golf Club. We take note of the fines we have incurred, Rosemary's \$1.00 and my \$2.75 for which our check in the amount of \$3.75 is enclosed.

The W.P.A. Project program is certainly unique and perhaps the only one of its kind outside of government circles but in sheer volume of paper work record keeping it could, in fact, be compared to a government project! Your records are really remarkable.

Now then, Jack, because of the uncertainty of our summer schedules, not having been able to attend the Lakeland outing and being committed to a Canadian trip on the dates of your Anacortes Project, we feel it best to give up our membership in W.P.A.. In bowing out we do want you to know that you have a lovely group of people and that we appreciate having been among those present on at least two occasions.

With sincerest wishes,

Harry and Rosemary Hayward

W.P.A. PROJECT NUMBER 8
 May 21-22, 1989
 LAKELAND VILLAGE GOLF CLUB

Jack and Nonie Swanson got WPA #8 off to a good start with a neat planning session at their home in Shelton. They were excellent Project Managers. The weather man talked about rain and we splashed around the course, but the splash was not raindrops, it was golfballs flying from the clubs of WPA'ers. It turned out to be a nice day and preserved our record of never being rained on.

As a group, the men shot 1 under for the 18, the women were 8 over. One new record was two consecutive chip-in holes by Harold Trulson enroute to winning low net with a 76. Dick Stimpson took low gross with an 82. Vera Taylor carded a low net of 49 for the women.
