W.P.A. PROJECT NUMBER 10  
 May 21-22, 1990  
 Sun Willows Golf Club, Pasco

The wind blew in gale force the day before and it rained the day after, but golf on Monday couldn't have been played under nicer conditions. Gordon and Mary Jane Krupke proved to be outstanding hosts with a great party in their room Sunday and excellent arrangements for the whole affair. Thanks. This was the first time we could walk from our room to the Pro Shop.

26 Project Managers checked out the fairways and the greens as well as the sand traps, the lakes, the sandy rough and even thunked a few trees. Despite the mighty effort of the group, the men ended up one over as a group. Someday, we hope, it will be reported that we broke par.

Jack Green captured low gross, Murray Taylor calculated himself winner of low net; Bonnie Warnecke had low net for the first 9, and Marion Nulle won the new event, low net for the 18.

Timekeeper Taylor calculated the following results:
